# Hinges

## STAINLESS STEEL 2BB HINGE

**Product Code :** VH-SSBH-G2-BB102

**Size :** 102mm (H) x 76mm (W) x 3mm (T)

**Grade :** 304 Grade

**Finishes :** Satin Stainless Steel

**Details :** SUS 304 Satin Finish Leaf, Fittings including flat tip Pin screws & bearings With M5 Screws.

**Certification :** UL Listed

**Features :** Suitable for swing type of Fire rated Doors upto & including 3hrs, highly Durable, load bearing capacity upto 120kg.

## STAINLESS STEEL 2BB HINGE

**Product Code :** VH-SSBH-G2-BB114

**Size :** 114mm (H) x 102mm (W) x 3mm (T)

**Grade :** 304 Grade

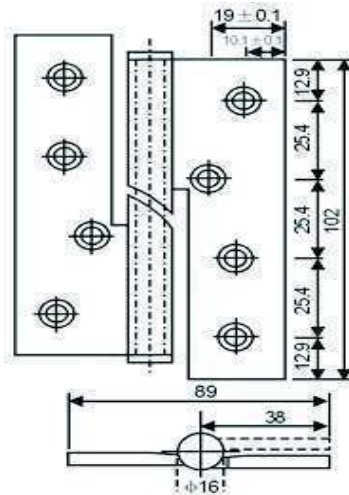

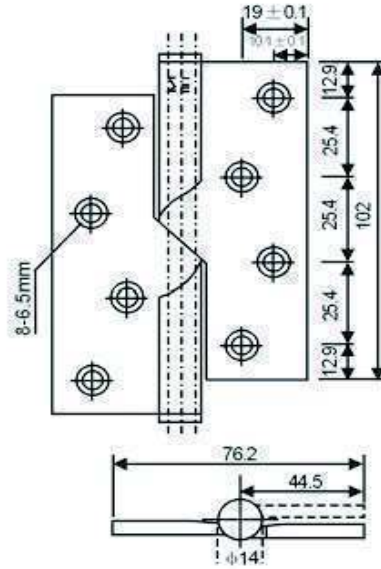

**Finishes :** Satin Stainless Steel

**Details :** SUS 304 Satin Finish Leaf, Fittings including flat tip Pin screws & bearings With M6 Screws.

**Certification :** UL Listed

**Features :** Suitable for swing type of Fire rated Doors upto & including 3hrs, highly Durable, load bearing capacity upto 120kg.

# Hinges

## STAINLESS STEEL RISING HINGE

Product Code : VH-SSRH-G2-RH102

Size : 102mm (H) x 76mm (W) x 3mm (T)

Grade : 304 Grade

Finishes : Satin Stainless Steel

## STAINLESS STEEL FALLING HINGE

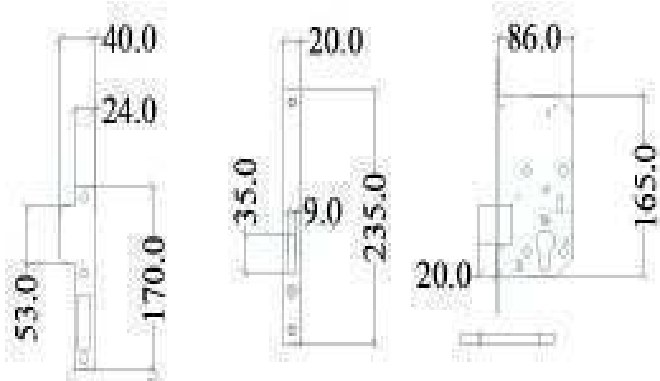

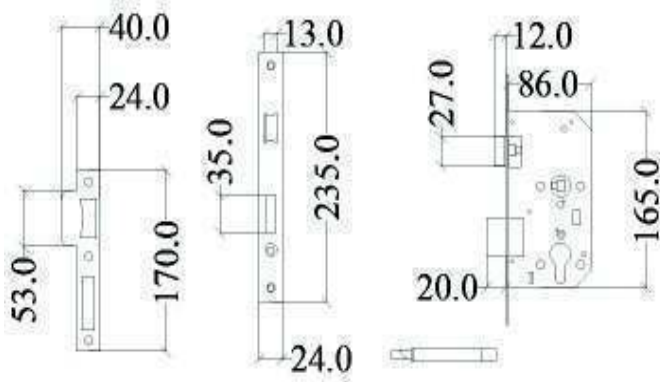

Product Code : VH-SSRH-G2-FH102

Size : 102mm (H) x 76mm (W) x 3mm (T)

Grade : 304 Grade

Finishes : Satin Stainless Steel

# Locks

## MORTISE SASH LOCK

**Product Code : VM-SSML-G2-MSL55**

**Follower** : 8\*8mm

**Distance** : 72mm

**Backset** : 55mm

**Forend** : Type –Square,Thickness-3mm  
Width-24mm

**Material** : SS304

**Finish** : Satin Stainless Steel

**Certification** : CE certified

## MORTISE DEAD LOCK

**Product Code : VM-SSDL-G2-MDL55**

**Follower** : 8\*8mm

**Distance** : 72mm

**Backset** : 55mm

**Forend** : Type –Square,Thickness-3mm  
Width-24mm

**Material** : SS304

**Finish** : Satin Stainless Steel

# Locks

## Extra Heavy Duty Mortise Lock

**Product Code : VM-SSHL-G2-HDL19**

**For Doors** : 44.5mm Thick Standard

**Lock Hand** : Lock Bodies are easily field reversible

**Backset** : 70mm

**Lock Case** : Heavy Duty wrought steel  
Dichromate plated.

**Dead Bolt** : 25.4mm throw, Hardened SS

**Latch Bolt** : 19mm throw,SS

**Certification** : UL & cUL,ANSI/BHMA A156.13,SeriesG1  
Meets positive pressure requirements,  
UL 10 C and UBC7-2(1997)

## Heavy Duty Small Mortise Dead Lock

**Product Code : VM-SSDL-G2-MDL25**

**For Doors** : 44.5mm Thick Standard

**Hand** : Adjustable Lock Front

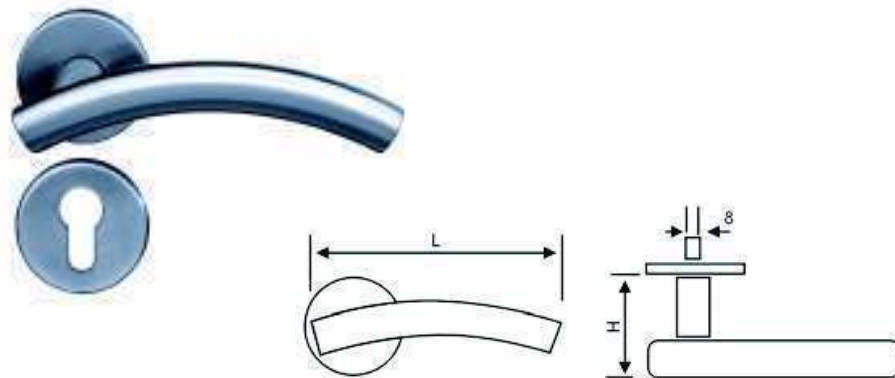

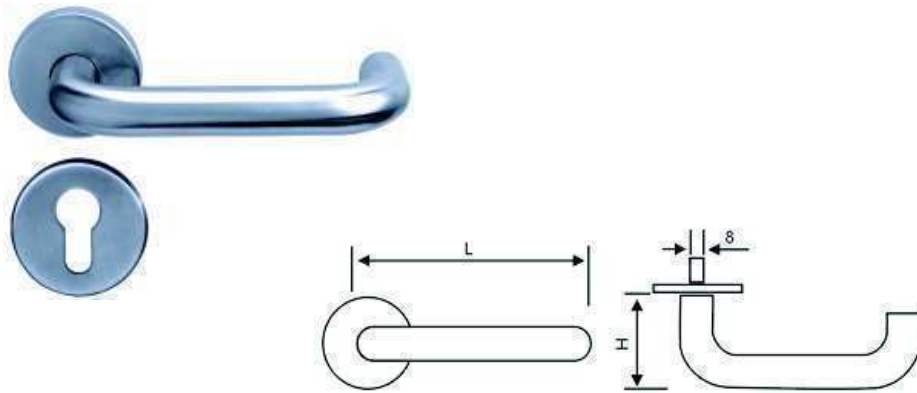

**Backset** : 70mm

**Lock Case** : Heavy Duty wrought steel  
Zinc Plated

**Dead Bolt** : 25.4mm throw, SS

**Certification** : UL & cUL,  
Meets positive pressure requirements,  
UL 10 C and UBC7-2(1997)

# Lever Handles

## Hollow Lever Handle-(C Type)

**Product Code :** VL-SSLH-G2-CLH19

**Material :** Stainless Steel

**Finish :** Satin Stainless Steel

**Dimension :** 19mm Dia,130mm (L),60mm (H)

**Suitability :** with Door thickness 35-50mm  
For both Steel & Wooden Doors.

## Hollow Lever Handle-(Arc Type)

**Product Code :** VL-SSLH-G2-ALH19

**Material :** Stainless Steel

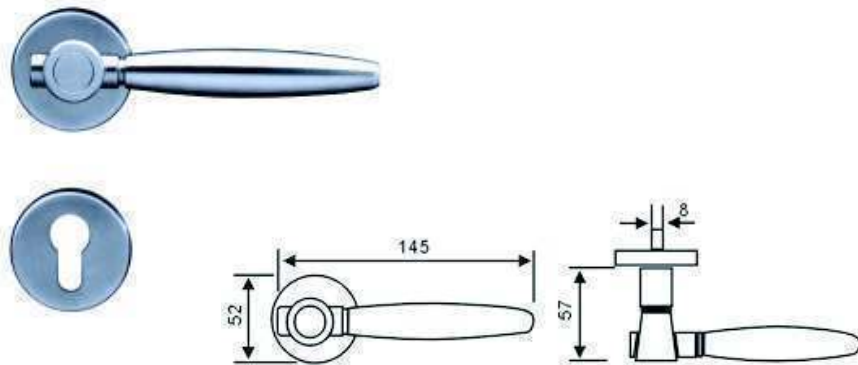

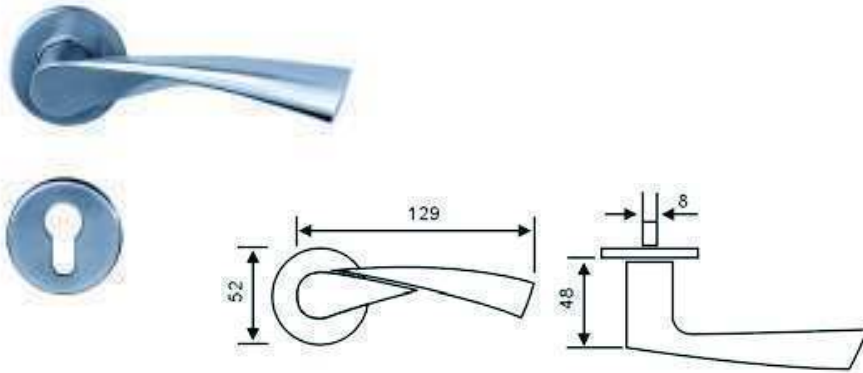

**Finish :** Satin Stainless Steel

**Dimension :** 19mm Dia,130mm (L),60mm (H)

**Suitability :** with Door thickness 35-50mm  
For both Steel & Wooden Doors.

# Lever Handles

## Solid Lever Handle-M01

Product Code : VL-SSLH-G2-SLHM1

Material : Stainless Steel

Finish : Satin Stainless Steel

Suitability : with Door thickness 35-50mm  
Both steel & wooden doors.

## Solid Lever Handle-M02

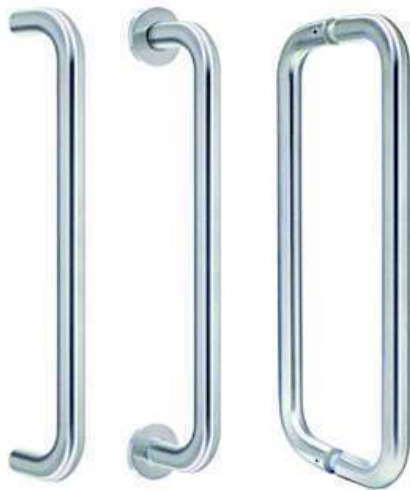

Product Code : VL-SSLH-G2-SLHM2

Material : Stainless Steel

Finish : Satin Stainless Steel

Suitability : with Door thickness 35-50mm  
Both steel & wooden doors.

# Handles & Plate

## Pull Handles ( Hollow & Solid )

**Product Code :** VH-SSPH-G2-SSHP1

**Material :** Stainless Steel

**Finish :** Satin Stainless Steel

**Size :** 200mm (H) x 19mm (D)

**Types :** On Concealed Rose  
Back to Back  
Bolt through fixed

## Push Plate

**Product Code :** VS-PPSS-G2-PPSS1

**Material :** Stainless Steel

**Finish :** Satin Stainless Steel

**Size :** 300mm (H) x 100mm (W)

**Types :** with PUSH sign & Without Push Sign

# Cylinders

## Double Profile Cylinder

Product Code : VC-BSDP-B1-DPC70

Material : Brass

Finish : Satin Nickle Plate

## Single Profile Cylinder

Product Code : VC-BSSP-B1-SPC45

Material : Brass

Finish : Satin Nickel Plate

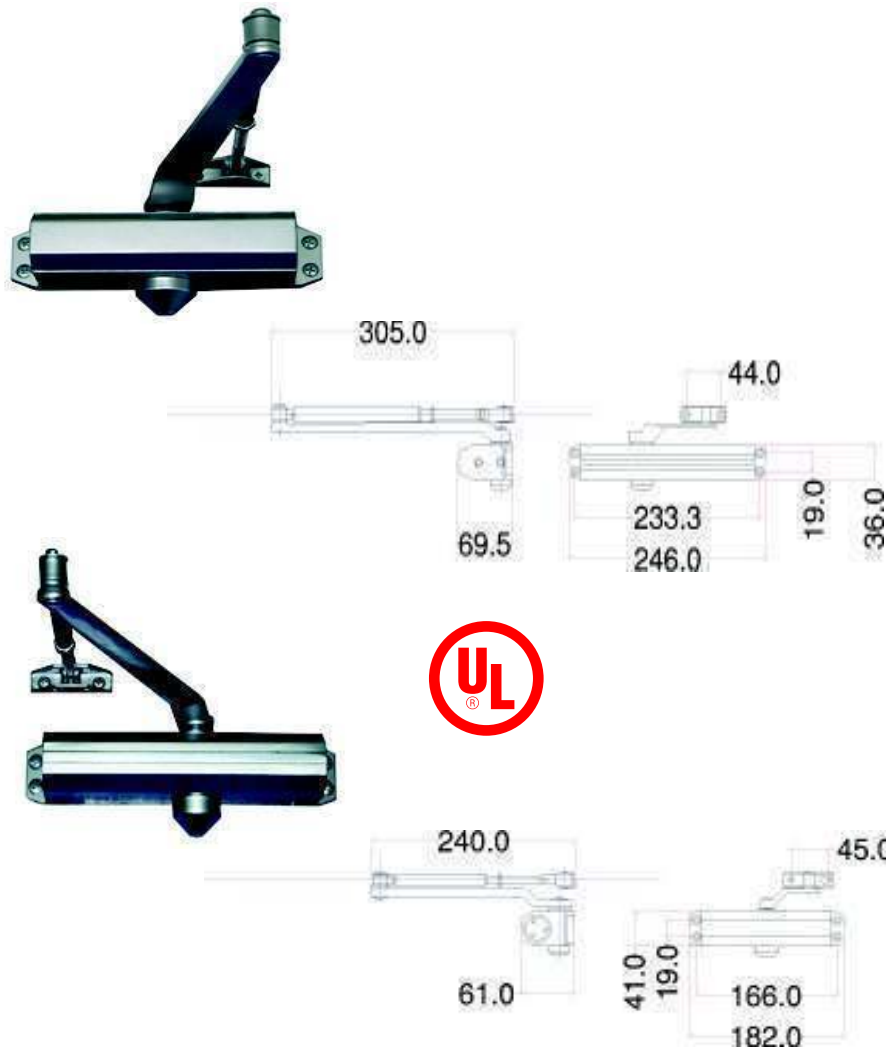

## Thumb Turn Cylinder

Product Code : VC-BSTP-B1-TTC70

Material : Brass

Finish : Satin Nickel Plate

# Door Closers

## Over Head Door Closer (Normal)

**Product Code :** VD-DCLW-A1-F8500

**Max.Door Width** : 1100mm

**Door Weight** : 25-85kg

**Max/Op. Angle** : 180 Deg

**Finish** : Aluminium (Silver)

**Spring Power** : 2/3/4

**Body** : Cast Aluminium alloy Body

**Features** : Applies to Light & Medium Duty Doors

**Certification** : UL Listed

## Over Head Door Closer-Medium

**Product Code :** VD-DCLW-A1-F8900

**Max.Door Width** : 950-1400mm

**Door Weight** : 15-150kg

**Max/Op. Angle** : 180 Deg

**Finish** : Aluminium (Silver)

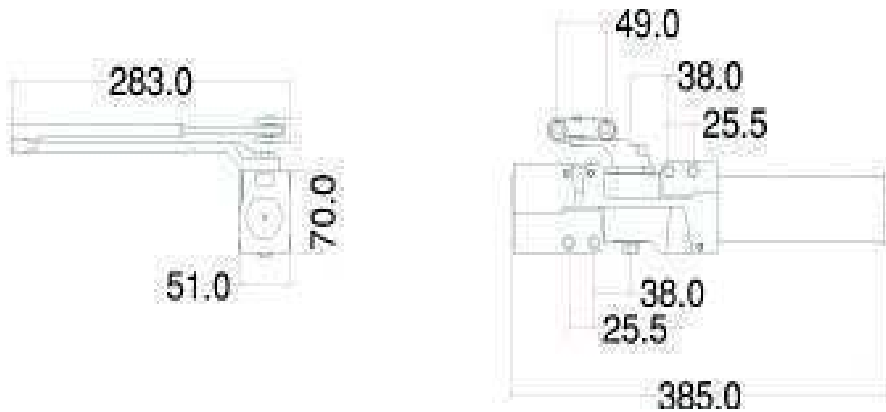

**Spring Power** : 1-6

**Body** : Cast Aluminium alloy Body

**Features** : Applies to Light & Medium Duty Doors  
Different models available

**Certification** : UL Listed

# Door Closers

<b>Over Head Door Closer-Heavy Duty</b>	
<b>Product Code : VD-DCHW-A1-F8400</b>	
<b>Max.Door Width</b>	: 1400mm
<b>Door Weight</b>	: upto 150kg
<b>Max.Op.Angle</b>	: 180 deg
<b>Finish</b>	: Aluminium (Silver)
<b>Spring Power</b>	: 1-6
<b>Body</b>	: Cast Iron body & Forged Steel Arm With cover
<b>Certification</b>	: UL Listed,ANSI Grade 1 Certified
<b>Features</b>	: Applies to light /Medium/Heavy Doors

# Exit Devices

## Panic Exit Device

**Product Code : VP-PDSD-I1-PEB33**

**For Doors** : 1 3/4" thick Standard to 2" Doors

**Length** : 32-7/8"

**Cover** : Zinc

**Chassis** : Steel

**Rail Assembly** : Steel/Stainless Steel

**Finish** : Painted Silver

**Certification** : UL Listed  
Conforms to ANSI/BHMB A156.3-2001  
Grade-1, Fire rating upto 3 Hrs.

## Panic Exit Device with Vertical Rod

**Product Code : VP-PBDD-I1-PEB33**

**For Doors** : 1 3/4" thick Standard to 2" Doors

**Length** : 32-7/8"

**Cover** : Zinc

**Chassis** : Steel

**Rail Assembly** : Steel/Stainless Steel

**Finish** : Painted Silver

**Certification** : UL Listed  
Conforms to ANSI/BHMB A156.3-2001  
Grade-1, Fire rating upto 3 Hrs.

---

## External Lever Trim

**Product Code : VT-EXLT-G2-LHL650**

**For Doors** : 1 3/4" thick Standard to 2" Doors

**Finish** : Satin Chrome Finish

---

---

## External Knob Trim

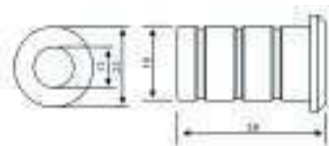

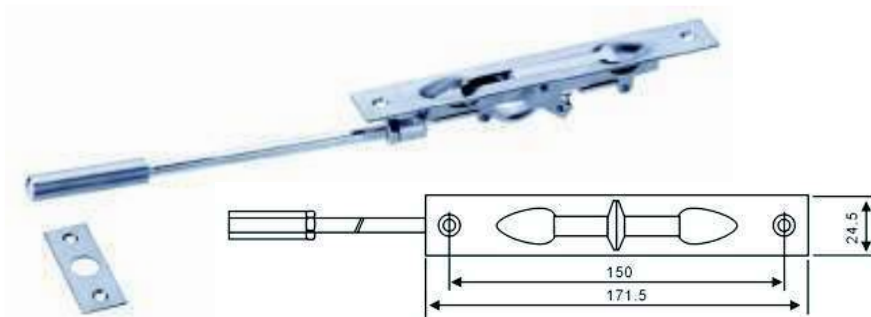

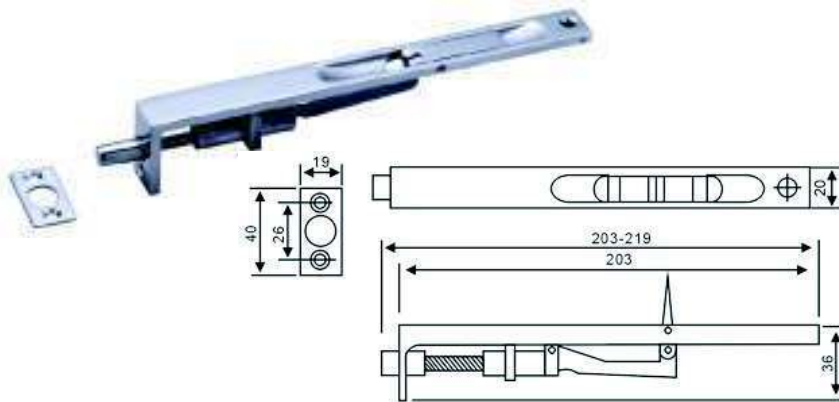

**Product Code : VT-EXLT-G2-BKL550**

**For Doors** : 1 3/4" thick Standard to 2" Doors

**Finish** : Satin Chrome Finish

---

# Flush Bolts & Socket

## Flush Bolt for Wooden Doors

**Product Code :** VF-IRWD-I1-FBWD8

**Material :** Stainless Steel

**Finish :** Satin Stainless Steel

**Dimension :** 200mm x 19mm

**Features :** Thickening –Shaped Plug  
Concealed, Elegant.

## Flush Bolt for Steel Doors

**Product Code :** VF-SSSD-G2-FBSS8

**Material :** Stainless Steel

**Finish :** Satin Stainless Steel

**Dimension :** 200mm Rod

**Features :** Thickening –Shaped Plug  
Concealed, Elegant.

## Dust Excluding Socket

**Product Code :** VE-DESC-G2-DES39

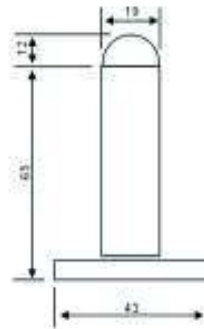

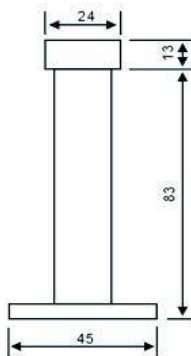

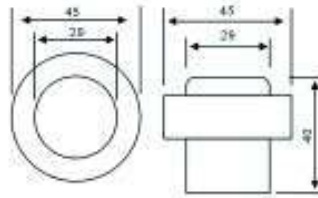

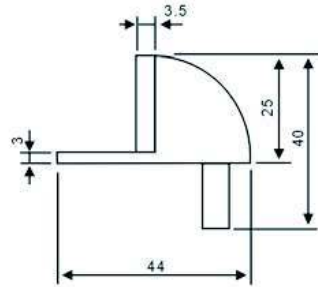

**Material :** Stainless Steel

**Finish :** Satin Stainless Steel

**Features :** Prim, Colour never changes

# Door Stoppers

## Floor Dust Stopper-Hemisphere

**Product Code :** VS-DSHH-G2-DSH44

**Material :** Stainless Steel

**Finish :** Satin Stainless Steel

## Floor Dust Stopper-M02

**Product Code :** VS-DSHH-G2-DSHM2

**Material :** Stainless Steel

**Finish :** Satin Stainless Steel

## Floor Dust Stopper-M03/M03A

**Product Code :** VS-DSHH-G2-DSHM3

**Material :** Stainless Steel

**Finish :** Satin Stainless Steel
